This is a list of words that your child will be focusing on this year. These are what are known as “sight words”. These words build a foundation for reading as they represent about 75% of the words your child encounters in the early years of learning to read. Being able to quickly recognize these words will help your child build confidence as they read, as well as develop their comprehension skills as they will not have to stop and sound out these unfamiliar words. Your child’s flow and fluency of reading will improve and make reading easier and more enjoyable.

Please keep this list, along with the set of sight word cards that is included in this baggie, at home in a convenient spot. We will be sending activities home that you can do together as a family to support your child’s learning these words. **Look for activities near the beginning of the month. Your first family activity can be found on the back side of this sheet. Have fun! 😊**
