

## **Distance Learning Plan**

Our staff has been working diligently to develop a quality distance learning plan to meet the needs of our students during this unique educational time throughout the state. The plan is designed around the use of technology to provide instruction, interact with students and give students the opportunity to demonstrate their understanding of the concepts being taught. Due to this being a first time occurrence in education, we ask for your patience as we monitor and adjust the plan based on the results we are seeing and the feedback we receive as we roll out the plan.

Below you will see additional information as to what our Distance Learning Plan consists of and how it will work.

### **Lesson Design for Distance Learning**

#### Daily Communication Between Students and Teachers

- Schoology, Zoom, Youtube, Google Meet
- The tool and use is dependent on the teacher

#### Weekly Lessons to Provide Learning Opportunities for All Students

- Lesson design will vary based on grade levels and tools used
- Platforms used will be Schoology, Zoom, Youtube, Google Meet
  - Lessons are to meet the needs of all students (IEP, 504, ELL, etc.)
- Standards based lessons with 2-3 per week.

#### Students Demonstrate Understanding/Assessing Learning

- Written Response or Reflection
- Formative Assessments weekly (Check points such as quizlet, electronic worksheets, submissions to schoology or google classroom)
- Summative Assessments
- Submitting pictures of work

### **Distance Learning Services From Special Education and Other Services Staff**

#### Social Worker/Guidance Counselor

- Student check-in contacts every 2-3 days
- Respond to individual needs, concerns, or referrals as received
- Provide resources to students in the areas of social, emotional, mental health
- Future Scheduling
- Share ACT and College/Career Prep Resources

#### Special Education

- Regular check in with students on caseload
- Conferencing through video platform

- Managing student IEP's to ensure support is received
- Progress checks
- Parent communication
- Continue work on evaluations and planning

### Speech

- Connecting through Presence Learning Online Speech Platform
- Parent communication
