

NEW ULM AREA SPORT FISHERMEN
E.E. MECKLENBURG
ENVIRONMENTAL SCHOLARSHIP
APPLICATION

The New Ulm Area Sport Fishermen Club, (NUASF), was formed in the 1980's by a group of enthusiastic fishermen and environmentalists. Through the years, the members of the NUASF have been involved in various activities supporting environmental issues. For example, the club was instrumental in the formation of the Coalition for a Clean Minnesota River.

Earl E. (Bull) Mecklenburg grew up on a farm in Milford Township and moved to New Ulm as an adult. In addition to his family and many friends, education and the environment were very important to him. An avid book reader, Earl always stressed to his family the value of a good education. During his lifetime, Earl loved being outdoors, whether it was for fishing, hunting, or just observing nature.

To honor his memory, the family of Earl Mecklenburg, along with the NUASF club, created this scholarship to be awarded to a person planning to pursue an environmental career.
