home address _____

Where do you plan to continue your education?

What do you plan to study?

On a separate sheet of paper, please type the answers to these 2 questions:

1) Why did you choose this field to go into, and why do you feel you will be successful?

2) What can you tell us about your involvement in your school and community?

Please attach one letter of reference.

Please return this application, your typed answers, and your letter of reference to the high school office by **April 15, 2021**.
