GFW SPORTS REGISTRATION NIGHT

July 30th

High School Gym

We are looking forward to an exciting year of extra curricular activities at GFW. Students gain valuable life-skills when participating in school activities, and we want to encourage everyone to get involved.

On July 30th, we will be having our **SPORTS REGISTRATION NIGHT**. Doors will open at 6:00 and the meeting is set to begin at 6:30. The meeting is for students who are thinking about participating in a **fall, winter or spring sport** at the high school or middle school level.

Parents and students need to attend the meeting and bring the completed MSHSL paperwork which can be found on the GFW website under the *Activities & Athletics* tab. You should also bring physicals and sports fees to the meeting. Students are not allowed to start practice without a current sports physical on file. Sports physicals are good for three years from the date of the physical

Since we feel participation is so valuable, GFW works with families who may need assistance with fees through payment plans and work vouchers. All you need to do is contact the high school office and ask for Rich or LuAnn.
