

# \*\*\*\*Flexible Learning Day Recording Sheet (4th Grade)\*\*\*\*

DATE: \_\_\_\_\_

Parent must initial and date the completed activities.

Student must immediately turn in signed copy of this form upon return to school in order to be credited with attendance.

A student who does not complete the activities AND return this form signed, will be counted absent.

Reading & Writing	Math	al/Emotional	Physical Education	STEM	Music
Read a book for 15 minutes and respond to what you read by writing for 5 minutes	Play a game that requires strategy or some type of math.	Do a relaxing activity like drawing, yoga, deep breathing, or some sort of hobby.	50 jumping jacks, 30 push-ups, plank for 30 seconds, and run in place 2 minutes.	Do a coding lesson at Code.org.	Sing a song that you have learned in Music to an adult.
Take 20 minutes for writing! Brainstorm about the snow day using all of your senses! Write as much as you can, and then check over your work and make corrections.	Play Soduko online at soduko.com or log on to Math Playground, or prodigygame.com to practice different math skills.	Share your thoughts/feelings with someone. Listen to your partner's as well.		Draw or paint what it would look like if something other than snow fell from the sky. Imagine glitter, coffee, candy, etc. Take a picture and email it to your teacher if you are able to.	Find something around your house to use as a musical instrument. Play along with music and/or keep the beat for 10 minutes.
Work on our current topic using IXL Language Arts for 20 minutes.	Follow a recipe and measure ingredients carefully.	Write a note/draw a picture for a friend.		Help your family solve a problem.	Dance to music for 15 minutes.
Read to a sibling and ask him/her questions about the book.	Practice math facts using a deck of cards.	Draw a picture of your dream life.		Be creative and build something using Legos or other materials around the house. Take a picture and email it to your teacher if you are able to.	Draw a picture or write about your favorite song. Include a special memory or feeling that the song brings up for you.
Look in your cupboard and make up a new type of food. Draw a picture and write an advertisement that makes people want to buy your new product.	Work on our current topic using IXL Math.	Write a letter, email, or call your grandparent or other relative.			
Write on paper or on GoogleDocs about any topic that you are interested in.	Make up story problems for classmates to solve.	Listen to music and think about how it makes you feel.			
Explore a website for 20 minutes: <a href="https://kids.nationalgeographic.com/">https://kids.nationalgeographic.com/</a> <a href="https://www.ducksters.com/">https://www.ducksters.com/</a>	Look at ads in the newspaper and make a list of things you want to buy. Add up all of the prices and figure out some odd jobs you could do to make the money you need.	Play in the snow if it is safe to be outside.			
*Mr. Jenum's students can check SeeSaw for additional		Find a way to help someone today.
