

# Kindergarten Flexible Learning Day Bingo Card

\*Mark 5 boxes to make a BINGO & return to school!

WRITE AND SEND A LETTER TO SOMEONE SPECIAL.	<b>Play a game that does not use your electronic device.</b> (Board games, card games, or puzzles.)	Journal about what you want to be when you grow up and return to school.	<i>Listen to a grown-up tell about something that happened to them, then retell the story.</i>	Pretend you at a store. Pretend to pay for items with all 4 coins.
<b>Count backwards from 20 to 0.</b>	Ask a grown up to make a list of numbers leaving a few out....fill in the what's missing or write numbers to 100.	Write 20 words you find around your house and bring to school.	<i>Show a grown up the parts of a book (title, author, illustrator front &amp; back cover, spine).</i>	<i>Make Kindergarten words with play-doh pretzels, toothpicks, or another item around your house.</i>
Recite days of the week and months of the year to a grown up.	FILL A CUP WITH SNOW AND LET IT MELT. SEE HOW MUCH WATER YOU END UP WITH.	Tell time on a digital clock and/or analog clock--to the hour. Parents discuss time with your child.	Help an adult measure and bake or cook something. Bring/send us your recipe!	<b>Visit gonoodle website (or listen to any music) dance to a couple songs.</b>
For 10 minutes, go to the Elementary Computer Lab Website and use any of the <b>Kinder</b> Links that you have learned.	Read TO a grown up and retell the beginning, middle, and end of what you read.	<b>Turn off the lights and write your classmates names by flashlight. Use capitol letters where needed. Bring back to school.</b>	READ TO A GROWN-UP AND TELL THEM THE SETTING AND CHARACTERS IN THE STORY.	Write your Kindergarten words in the snow with a stick or color water.
Make up and draw 5 addition/subtraction stories and bring to school.	<b>Skip count by 5s to 100 and 2s to 20 while spinning.</b>	<i>Make sentences using your kindergarten words and bring them to school!</i>	<b>Count to 100 by tapping and keeping a balloon or ball in the air.</b>	CHANT IN RHYTHM, THE COUNTING #S OF A MAJOR SCALE FROM 1-8, FORWARD AND BACKWARD.

Parent and student, please print your name after completing a BINGO. Return to school.

Student name: \_\_\_\_\_
